Thank you for being a volunteer for the 2011 AECT International Convention in Jacksonville FL. The program is complete and headed to the printer.

Please start gathering the following information for the schedule survey that you will receive a little later this week. The survey will need a quick turnaround.

You will need:

- 1) your travel details
- 2) your obligations for the conference
- 3) your "My Schedule" from All Academic
- 4) and possibly a calendar

Please make sure that the aectvolunteer@gmail.com is not going to your junk mail. The next communication will be a bulk mailing.
