Subject: W210 Field Experience

Hi Bryan,

I'd love to collaborate with some IU students for the Radio Journalism passion! Let me know if you want to chat anytime or feel free to share my email address with students who might be interested in this. We are already a week into passions so the sooner the better!  
Looking forward to this possibility - thanks for passing this along Scott.

We are a group of 7 students (grades 1-7) and we meet from 2:25-3:03 Mon, Tues, Thurs, Fri. Right now students are working on podcasts that will be featured on the Rhino's Youth radio show "Mixed Nuts". They are each writing podcasts and some are conducting interviews. We are going to Rhino's to record on Friday afternoon and will record at school on MacBooks using garage band next week.

It would be great if your students could come in in smaller groups starting really anytime after Tuesday, September 4th. They can come any of the 4 days each week that we have passions (mon/tues, thurs/fri). This "round" of passions ends after next week and a new round starts Monday, September 10th. Would your students want to start then? It would be new group of kids in the passions with possibly some returning if they choose it as their passion for a second round.

Let me know whatever makes the most sense with the needs of your students and we can work it out for them to be involved. It would be great if they can help with editing/creating sound effects on the garage band program. Thanks!

Subject: W210 - Project School Field Experience Schedule

Hello everyone!

I have completed our final schedule for the Field Experience for W210. As a reminder, you should be at the Project School at 2:25pm on your assigned date. This portion of the field experience will last approximately 3 weeks (with the potential for more!). You can find it below:

[Student schedules here – deleted for privacy]

If you have had a change in availability, please let me know as soon as possible so I can alter the schedule and let Mrs. Emily know as well.

I will be at the Project School this week as well during our field experience as well. Please remember that we are representing the IU School of Education, as well as the CEL when we are participating in the field. Dress accordingly, and be sure to show up on time.

\*Information for the Project School:\*

349 South Walnut Street  
Bloomington, IN 47401

This link contains directions to the Project School from the School of Education

If you have any issues or difficulties (You will be late, get lost on the way, etc.), you can contact me via my Google Voice phone number (which is forwarded to my Cell Phone) at 315-600-3024.

If you have any other questions, please feel free to contact me for clarification.

I am very excited for this opportunity, and extend my heartfelt thanks to both the Project School and Mrs. Emily Rosen-King for helping make this possible!

Bryan

To: Bryan Hoey ([brhoey@uemail.iu.edu](mailto:brhoey@uemail.iu.edu))

Thanks Bryan! Looking forward to working with all of you!

Please be in touch if you have any questions or wonderings before it is your day to come.

See you soon,

Emily
